Hair Stylist & Colorist

Tina Ward

Owner, Operator, Hair Stylist, & Colorist

I've been doing hair for over 25 years and opened Colour Bar Salon 15 years ago. Being a small business owner while still working behind the chair allows me to stay connected to what I truly love—creating beautiful hair and building relationships with my clients. I'm passionate about continued education, which keeps me motivated, inspired, and always evolving in my craft.

When I'm not in the salon, you'll find me enjoying the outdoors in my garden, decorating spaces, or spending quality time with family and friends.

Sophie Ward

Hair Stylist & Colorist

I've been doing hair professionally for 3 years and have developed a strong passion for blonding, root color, and gray blending services. My journey began with an internship here at Colour bar salon where I gained hands-on experience in styling, and I've continued to grow through ongoing education to stay current and inspired. I love helping clients achieve their hair goals while keeping their hair healthy and beautiful.

Outside of the salon, you'll often find me boating, water skiing, spending time with friends and family, or baking. I love expressing creativity both in and out of the salon, and I bring that same passion to every client I work with.

Dana Shaw

Hair Stylist & Colorist

I am dedicated to making the world a prettier place, one head at a time. With decades of experience, I bring my passion for hair to every client I collaborate with, ensuring you look and feel your absolute best for any occasion. Whether you're preparing for a special event or just in need of a fresh new look, I am here to help you find the perfect style.

When I'm not crafting beautiful hairstyles, I enjoy spending quality time with my family and friends, experimenting with new recipes in the kitchen, and exploring new travel destinations. Let me bring out your ultimate beauty today!
